

Springerlink

De basis voor een stabiele link naar een artikel in de databank **Springerlink** is:
<http://stcproxy.han.nl/han/springerlink/>

The screenshot shows the Springerlink interface. At the top, there is a search bar and navigation links for 'Home' and 'Contact Us'. Below the search bar, there are two main buttons: 'Download PDF (208 KB)' and 'View Article'. The article title is 'Internationalising the content of higher education: the need for a curriculum perspective' by Lennart Svensson and Monne Wihlborg. To the right, there is a 'Look Inside' button and a 'Cover Image' of the journal 'Higher Education'. Below the article title, there is another 'Download PDF (208 KB)' button and a 'View Article' button. On the right side, there are 'Other actions' including 'Export citation' and 'Register for Journal Updates'.

Hier voeg je vervolgens de **DOI** (Digital Object Identifier) aan toe. Deze wordt zichtbaar door '**about this article**' open te klikken onderaan de pagina.

The screenshot shows the 'About this Article' section. A red arrow points to the 'About this Article' tab. Below the tab, there are several sections: 'Title' (Internationalising the content of higher education: the need for a curriculum perspective), 'Journal' (Higher Education, Volume 60, Issue 6, pp 595-613), 'Cover Date' (2010-12-01), 'DOI' (10.1007/s10734-010-9318-6), 'Topics' (Higher Education), 'Keywords' (Higher education, Internationalisation, Curriculum, Globalisation, Intercultural understanding, Teaching, Learning), 'Industry Sectors' (Consumer Packaged Goods, Finance, Business & Banking), 'Authors' (Lennart Svensson, Monne Wihlborg), and 'Author Affiliations' (1. Department of Education, Lund University, Lund, Sweden; 2. Department of Health, Care & Social Sciences, Lund University, Lund, Sweden). A second red arrow points to the DOI number.

Plak deze **DOI** nu achter de link hierboven, zodat je een link krijgt die hier op lijkt:
